2015 Night Time Magic Holiday Light Contest Winners

Best Dressed Historic Home: 222 Fourth Avenue SE, Albany OR 97321

c 1898 J. Meyers House is a Queen Anne Cottage with East Lake elements. Many white lights highlight the architectural details of this house beautifully and bring a nostalgic feeling with classic red & green trim throughout their decorations.

Memories of Christmas Past (Candy Cane Comeback): 1000 Lincoln St SW, Albany OR 97321

Remember those glowing candy canes that adorned the poles on Pacific Blvd in Albany? Well, a few of them still shine bright during the holidays, thanks to folks like these who bring them out to share this special time of year. This beautiful light display has been shining each year for the past 15 and we absolutely agree it is award worthy!

Family Traditions from One Generation to the Next: 2905 Lawnridge St SW

So much to see. There is really no photo that could do this display justice so you'll just have to drive by to see for yourself. Every bush, building and pole, lit up to create a bright and awe-inspiring display. So much flair for the younger generation continuing the family tradition. They certainly have the knack for sharing that holiday spirit.

Let it Snow! Let it Snow! Let it Snow! Sid Stevens Jewelers, 140 First Avenue West

We whole heartily agree because everything is more magical when it snows! Every year residents and visitors are welcomed into the downtown shopping district by the warm glow of the c. 1925 Bickman Block dressed in style with lights and garland. Sid Steven's gorgeous windows serve as an enticement to slow down, perhaps even stop and browse for a while in the not-so-hectic pace of Historic Downtown Albany, Oregon
