Cumberland Community Events Center

Graces, Marbles, Jacks and Cat's Cradle are a few games that children of the Pioneer Era may have played. The Save Our Cumberland Association invites you inside the Cumberland Community Events Center to try your hand at some of the games and recreation of the Pioneer days.

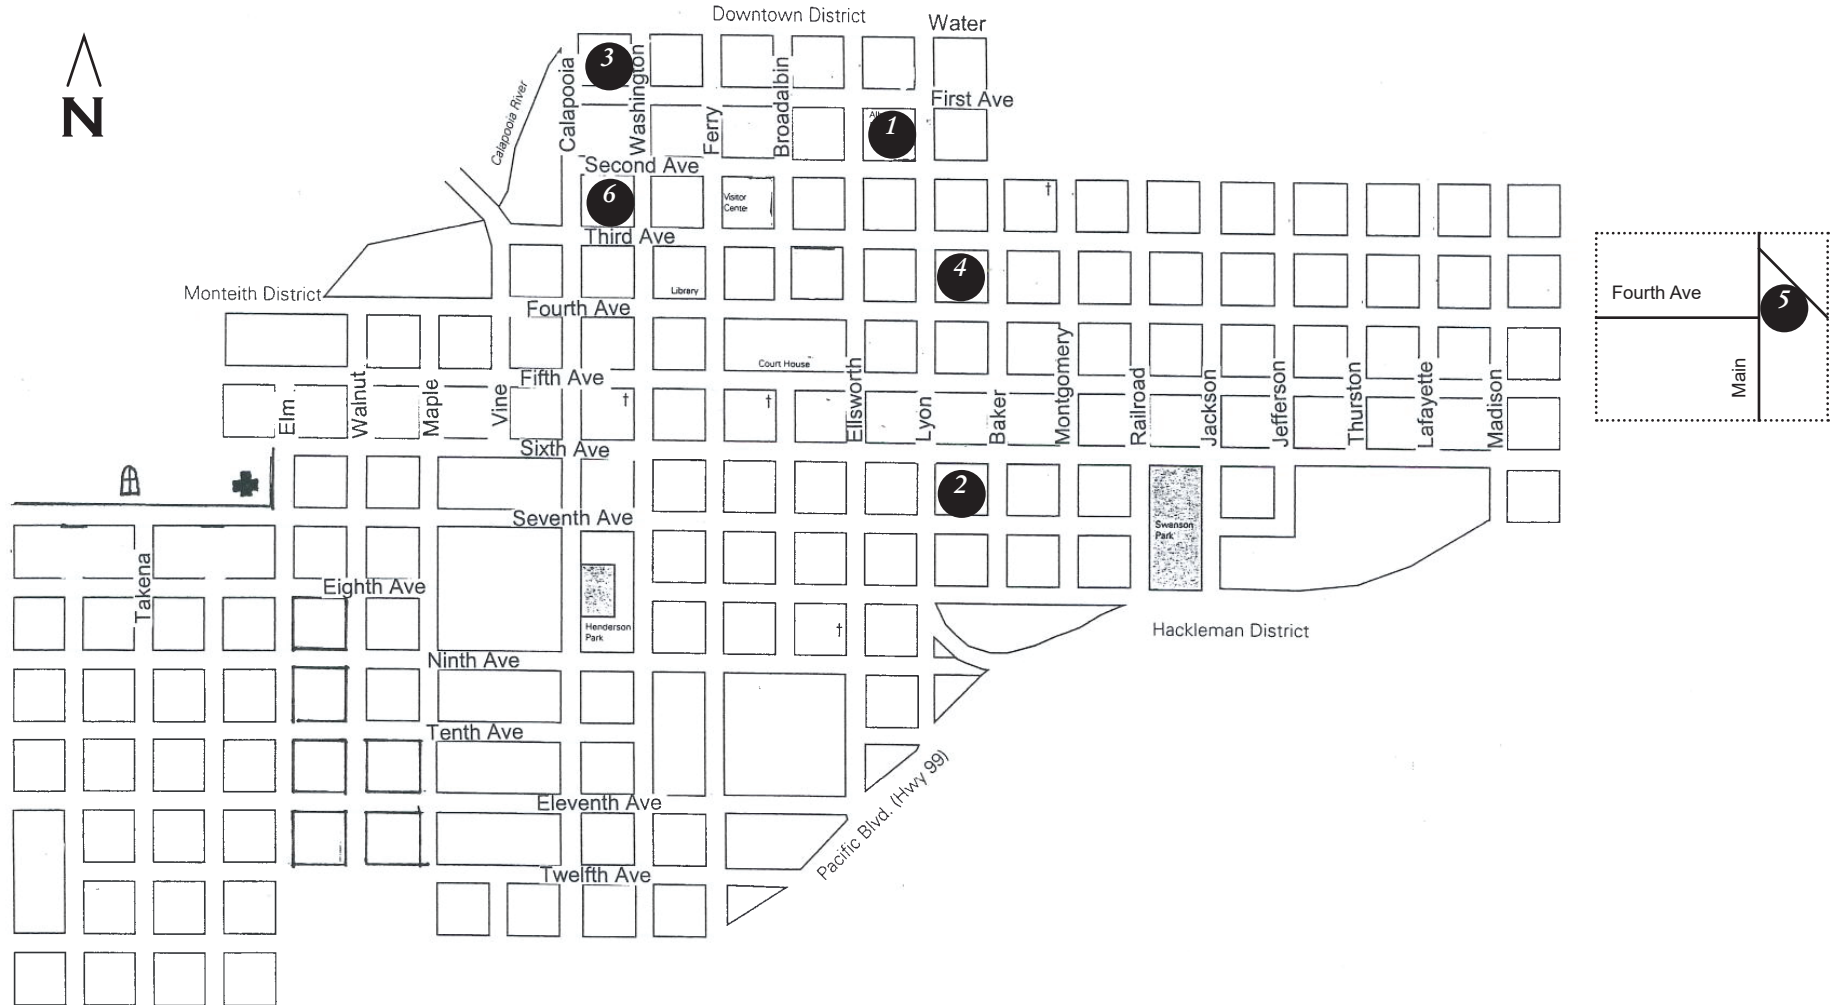

Restore Oregon named the Cumberland Church as one of the Most Endangered Places of 2019 and Save Our Cumberland Association is working to save this historic building. Step back in time for games and take this opportunity to see what the future could hold for our Cumberland Community Events Center.

Monteith House Museum | 518 2<sup>nd</sup> Ave. SW

Come inside for a tour of the Monteith House and hear the story of two brothers, Walter and Thomas Monteith, who traveled to Oregon by ox team in 1847 over the Oregon Trail.
